Building Pathways is an equal opportunity program. This special program is a collaborative effort of the New England Regional Council of Carpenters Local 118, NH AFL-CIO, New England Carpenters Training Program, & the NH Building and Construction Trades Council. It is funded by Workforce Investment Act moneys, the NH Charitable Foundation and program partners. This flyer was printed in-house with donated labor. 02/24/14.

Building Pathways New Hampshire Fact Sheet

Program

Five weeks, hands-on training in a variety of construction trades including carpentry, electrical, sheetmetal, plumbing, pipefitting, insulating, blueprint reading, labor history, construction math, interview skills & more. Classes begin Monday, May 12, and end Friday, Jun 13, 2014. Free: there is no charge for the program.

Classes meet Monday – Friday, 7am – 3:30pm (construction site hours)

Base location: Carpenters Training Center, 900 Candia Rd, Manchester. Students will also go to other Building Trades Training Centers as well as to an active construction site.

Students will receive OSHA 10 and First Aid/CPR certificates. Spaces are limited – max 13 students.

Who is Qualified?

The program is designed for female New Hampshire residents who are unemployed or underemployed, who are physically able to work in construction, are 18 or older, are authorized to work in the US, have a high school diploma or GED, are drug free and agree to drug testing, are on time, are interested in a construction career, can pass an 8th grade level English and math test and who have access to reliable transportation.

Women of color and female veterans are strongly encouraged to apply.

Schedule

March – MUST attend an Information Session

March 11, 13, 17 or 24

March 31 – Applications due

Early – Mid April – Assessment process

April 23 & 24 – Interviews for top candidates

April 25 – Notification to accepted students

May 12 – Classes start

June 13 – Classes end & Graduation

How to Apply?

Attend an Information Session, 6 – 7:30 pm on March 11, 13, 17 or 24, at the Plumbers and Pipefitters hall, 161 Londonderry Turnpike, Hookset, NH. Do NOT be late.

Program Sponsors

The program is sponsored by the NH AFL-CIO, the NH State Building and Construction Trades Council, and the Carpenters Union. It is supported by federal Workforce Investment Act funds, the New Hampshire Charitable Foundation, and program partners.
